Dear \_\_\_\_\_,

On behalf of Children's Healthcare of Atlanta, we would like to thank you for your continued support of our hospital and the many patients that we serve each day. We are extremely grateful for your generous support through your Georgia CTI Statewide Campaign and look forward to working with you again. Through our efforts to raise money for Children's, you are helping to meet the needs of Georgia's rapidly growing pediatric population and truly making a difference!

Your support will enable Children's to care for hundreds of thousands of young patients and their families – now and in the future. Listed below are the areas at Children's Healthcare of Atlanta that GCTI will be supporting this year:

- **Marcus Autism Center**

We are all so grateful for the opportunity to continue to work together to make life better for sick and injured children. Thank you once again for selecting Children's Healthcare of Atlanta as the recipient of the Annual Statewide Campaign. We are very appreciative of your continued support and excited to continue working with you, our extended family, as we strive to better the lives of children.

Sincerely,

Melisa Morrow  
Development Officer  
Children's Healthcare of Atlanta
