## MEMORANDUM

**TO:** CTI Coordinators

**FROM:** Mary Donahue, CTI Executive Director

**SUBJECT:** 38<sup>th</sup> Annual CTI State Leadership Conference (SLC)

The 38<sup>th</sup> Annual CTI State Leadership Conference (SLC) will be held at the Rock Eagle 4-H Center in Eatonton, GA, **April 17- April 19, 2019.**

CTI hosts the spring conference each year where students are given the opportunity to compete in 27 competitive events representing career pathways. The conference theme is “CTI Leading the Way to Brighter Days”. The purpose of this conference is to educate students with disabilities about the resources and career pathways available. The competitive events are an avenue for students to apply their many employability skills of their chosen career pathway and present it to a panel of volunteer judges in that career field. Public speaking, interview skills, leadership skills and the importance of time management are just a few of the elements that each student will participate in at our conference. This is an honor and should be reserved for only those students who are worthy of attendance. You and your selected students will not want to miss out on this opportunity!

It is a big decision for your school to choose to attend the Georgia CTI SLC. Georgia CTI has a few items for you to consider before signing up for this opportunity. Please read the following packet and information carefully.

We look forward to your participation in the CTI State Leadership Conference. Should you have any questions or concerns, do not hesitate to contact Mary Donahue, CTI Executive Director, at 678-617-0439 cell or by email at [georgiacti@gmail.com](mailto:georgiacti@gmail.com).

**Travel Plans and Registration to Rock Eagle:**

- ❖ Conference Registration will take place from 6:00pm-8:00pm at the EMC Senior Pavilion
- ❖ Wednesday Dinner will be served from 5:45pm until 7:45pm in the dining hall

**Adult to Student Ratio and Attendance Considerations:**

- It is recommended that one adult per four students attend the conference to assist with general supervision. Please note that adults may NOT be physically placed in the same housing as their local system due to facility constraints.
- It is recommended to be conscious of male/female students and the ratio between male/female chaperones, as well as other coordinator on site responsibilities.
- The following breakdown of student participation is encouraged.

<b><u>Total Student</u></b>	<b><u>Competitors (minimum)</u></b>	<b><u>Non-Competitors</u></b>
8	4	4
7	4	3
6	3	3
5	3	2
4	2	2
3	2	1
2	1	1
1	1	0

### **Security:**

There is a need for a security system for the convenience and protection of every person attending the State Conference. The basic control and security of all students rest with their advisor/coordinator. The coordinator must be aware of his/her students at all times. He/she must ensure that required meetings are attended and curfew is respected. Each coordinator will be given registration material at the time of arrival at the conference, which will include valuable information relative to his/her students.

Since our responsibility for the student is a 24-hour a day job, no coordinator is to leave the property at any time unless it is to take students to off-site conference activities, dinner or sightseeing. Any coordinator who needs to leave for any other reason must clear the absence with the Georgia DOE Program Specialist, Paula Poulicek.

The CTI state security headquarters will be located in the CTI Headquarters on the Rock Eagle Campus. Rock Eagle provides security guards in addition to the CTI security committee. Please respect the job these individuals are performing and realize that they are a great benefit to our conference.
