“Building and Achieving Success in Chapters”

What is BASIC?

BASIC is a field trip program designed for our CTI student organization. The programs are designed to teach team skills to students in an exciting and hands-on environment. The goal is to develop your chapter into a successful and effective team.

The program will consist of:

1. Team initiatives
Using a variety of challenges, we will introduce your students to basic team concepts.
2. Low ropes course
We will utilize challenging elements on the low-ropes style course. These elements will help students develop and use the team and leadership concepts that they are learning.
3. Obstacle course (Traditional Course on the ball field)
We will use our fun and exciting course that tests students on the concepts they have learned in a competitive environment. Students get muddy and have a blast!
8. Chapter planning
This is a time for advisors to spend with students planning and scheduling chapter events.

Who can participate?

The program is designed for your CTI students to learn to work together and take back goals to your local school systems. At this time, there is a limit of 10 per school with an option to place 5 on the waiting list if space becomes available. Waiting list will be honored as a first come first serve basis on when registration is received.

Why would I want to do BASIC?

This program will be beneficial to you if you want to accomplish the following in your chapter:

- Increase chapter involvement
- Develop unity
- Build trust
- Improve communication
- Create a team environment and strengthen team concepts
- Develop confidence, leadership, and cooperation

B.A.S.I.C. Training

“Building and Achieving Success in Chapters”

You will be taking part in a challenge course program that is physically and mentally challenging, but it is designed to be safe and within the capability of anyone in reasonably good health. If you know of any physical limitations that will limit your ability to participate in the course, please let your facilitator know.

The Georgia FFA-FCCLA Center operates under a “Challenge by Choice” philosophy, which means that you have the option to select your personal level of challenge in all activities. During the program, we will provide a challenging setting in which to expand your limits, while supporting your personal boundaries. As with any physical activity, there is some risk of injury. To minimize the potential for accidents, it is important to listen to the facilitators and follow their instructions. Please ask questions if you do not understand directions.

“I fully understand that my participation in the challenge / ropes course activities facilitated by the Georgia FFA-FCCLA Center and all of their employees and instructors could result in injury or death. I do voluntarily choose to participate in these activities. Also, my participation requires that I am of good physical condition and I do hereby accept all responsibility for my own physical well-being, and I do not have any medical conditions that will prohibit me from safely participating or will put me at risk of injury. Being fully aware of the degree of risk and injury to myself, I hereby release and hold harmless the Georgia FFA-FCCLA Center and all of their employees and instructors from any claim, action, damage, liability, and expenses of any kind resulting from accident or injury incurred while participating in these activities.”
