

CTI will host its State Leadership Conference on April 19-21, 2023, at the Rock Eagle 4-H Center in Eatonton, Georgia. As you know, this event marks the culmination of a great deal of hard work and commitment by CTI students and teachers as CTI provides an avenue for students with disabilities to learn self-advocacy, career exploration and the skills needed for successful transition into their career goals after graduation.

The highlight of the CTI State Leadership Conference is the competitive event session and we are currently requesting the assistance of educators and business professionals from across the state to support Georgia students by active participation in this year's state conference. The success of our state conference is largely dependent upon the quality and commitment of our volunteers and we are in need of approximately 125 volunteers to fill 3-4 member panels per CTI event. The responsibilities of a judge only require a four-hour time commitment on the morning of Thursday, April 20th from 7:30 AM until approximately 12 Noon. *(Depending on the number of students who register per event, there is a possibility that there will be afternoon sessions from 1-4 PM for which volunteers will be needed.)*

We hope that you will join us again this year! Please review your 2023 calendar and if you are available on the morning of Thursday, April 20, 2023, please complete the [ONLINE FORM](#). If you prefer to complete a physical form, it is attached and you can return it via email or traditional mail to the contact information listed at the bottom of the form.

Please respond as soon as possible because we try to have a solid slate of volunteers by the end of the year so that we can begin preparing event assignments. Likewise, if you have a colleague that you would recommend to serve at this event, please feel free to pass our information along to other business professionals and/or educators.

Upon receipt of your Judge's Enrollment Form, I will send you an email confirmation from my office within seven days, followed by more specific conference information as the conference dates draw closer. **If you do NOT receive a confirmation, please resend your information because this indicates that it was not received in the office.**

If you have any questions about our conference, please feel free to email me at judges4education@yahoo.com or call me at (404) 895-6978. I encourage you to visit our website at www.georgiacti.org for more information about our mission, competitive events, progress and activities across the state.

Sincerely,
Sylvia Phillips
CTI Judges Coordinator
