## **What is Emerging Leaders B.A.S.I.C.**

An employability skills program designed for our Georgia CTI student organization. The programs are designed to teach team skills to students in an exciting and hands-on environment. The goal is to develop your students into a successful individual as well as learning how to work effectively with a team.

The program will consist of:

1. Team initiatives  
Using a variety of challenges, we will introduce your students to basic team concepts.

## B.A.S.I.C. Training

*“Building and Achieving Success in Chapters”*

You will be taking part in a challenge course program that is physically and mentally challenging, but it is designed to be safe and within the capability of anyone in reasonably good health. If you know of any physical limitations that will limit your ability to participate in the course, please let your facilitator know.

The Georgia FFA-FCCLA Center operates under a “Challenge by Choice” philosophy, which means that you have the option to select your personal level of challenge in all activities. During the program, we will provide a challenging setting in which to expand your limits, while supporting your personal boundaries. As with any physical activity, there is some risk of injury. To minimize the potential for accidents, it is important to listen to the facilitators and follow their instructions. Please ask questions if you do not understand directions.

“I fully understand that my participation in the challenge / ropes course activities facilitated by the Georgia FFA-FCCLA Center, and all of their employees and instructors could result in injury or death. I do voluntarily choose to participate in these activities. Also, my participation requires that I am of good physical condition, and I do hereby accept all responsibility for my own physical well-being, and I do not have any medical conditions that will prohibit me from safely participating or will put me at risk of injury. Being fully aware of the degree of risk and injury to myself, I hereby release and hold harmless the Georgia FFA-FCCLA Center and all of their employees and instructors from any claim, action, damage, liability, and expenses of any kind resulting from accident or injury incurred while participating in these activities.”
